# Campaign Sign Policy

## 157 Poplar Avenue

Campaign Signs may be placed at the Shelby County Election Commission Offices **only** when that facility is being used as an early vote location. Campaign signs may be placed no earlier than the Saturday prior to the start of Early Voting and must be removed by the first Sunday after Election Day.

As per TCA § 2-7-111 (b) (1), no sign may be closer than 100 feet to the entrance doors to the building. Stakes or tape will mark the 100 ft. boundary.

Signs may be placed in the grassy area at the corner of Poplar and 2<sup>nd</sup> Street; however, no sign in that area may be more than 16 square feet in size and may not be taller than 40 inches off the ground. (This area is designated as Zone A in the attached map.) These restrictions are for the safety of pedestrians and motorists.

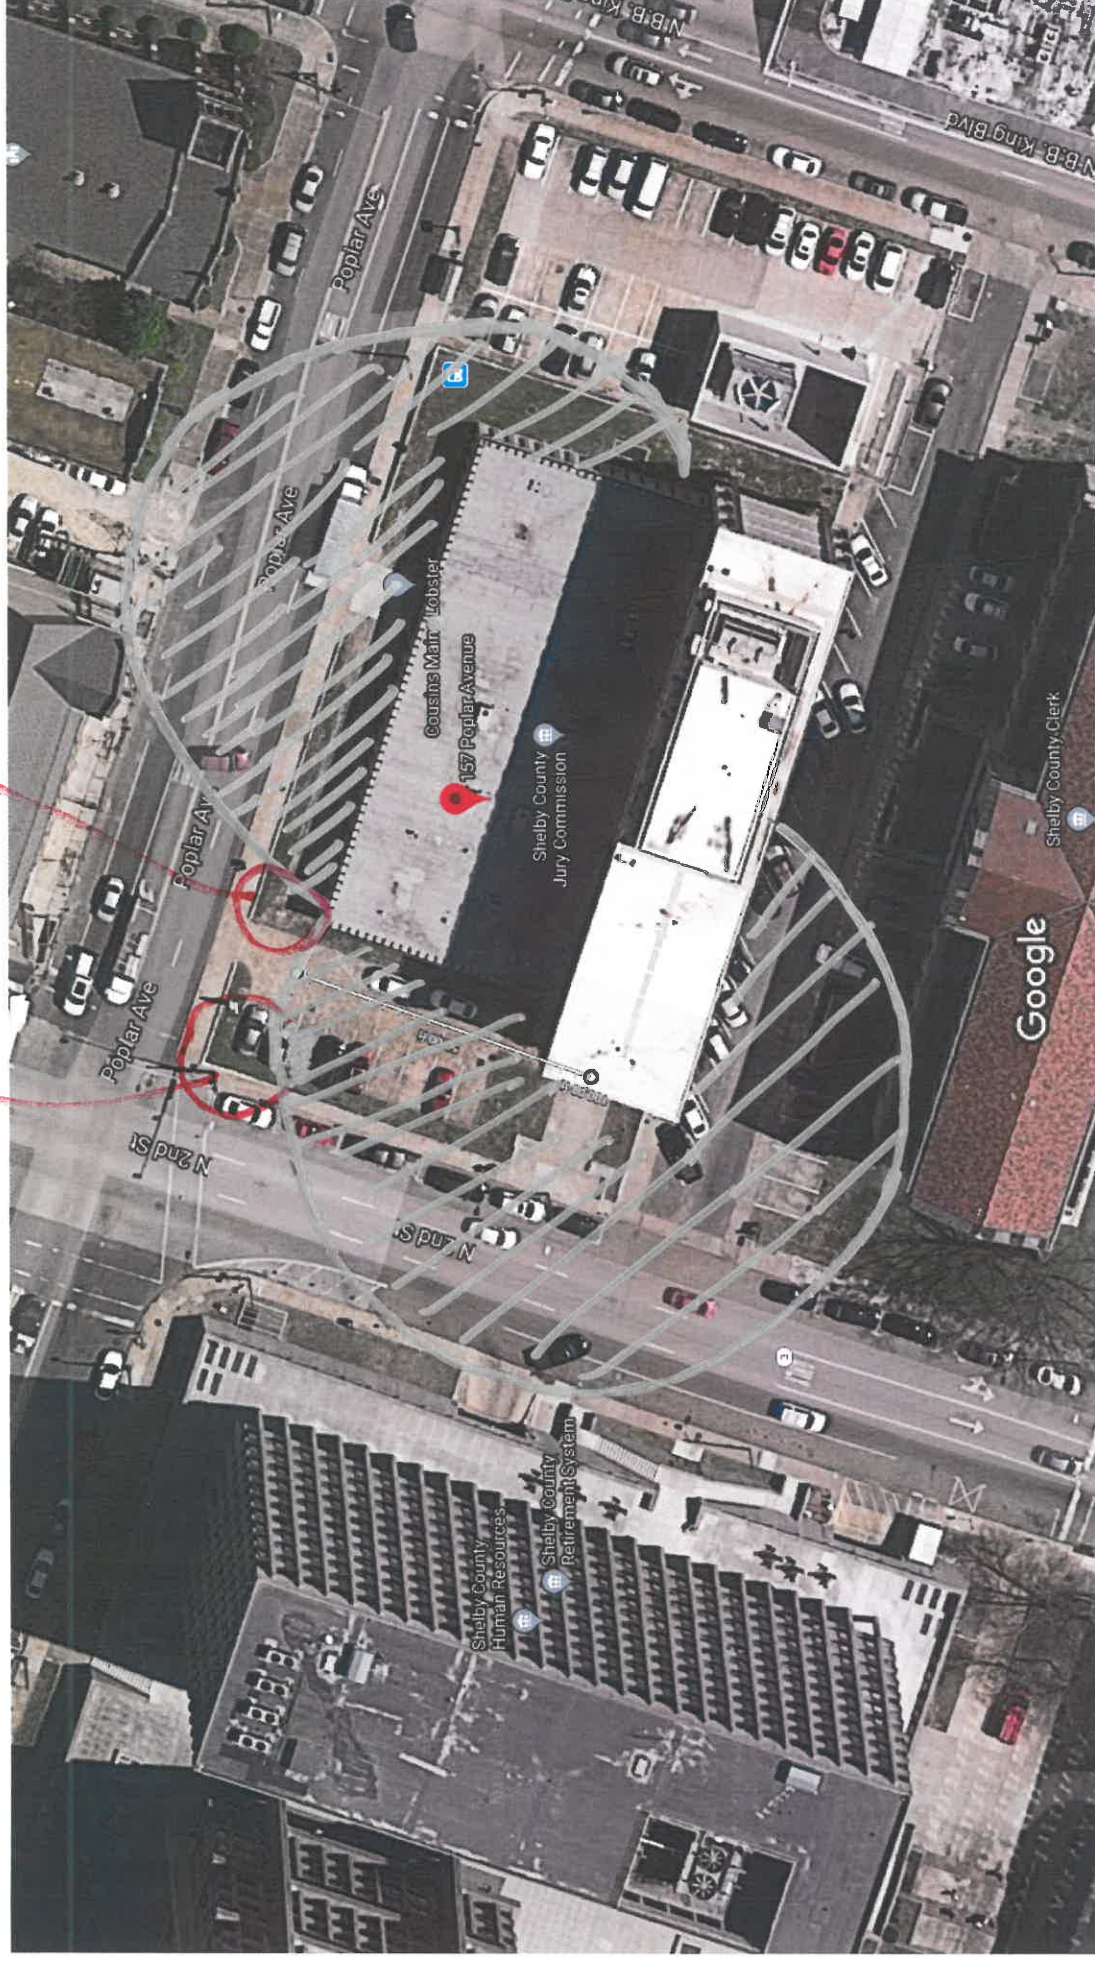

Signs larger than 16 square feet or taller than 40 inches may only be placed in the area designated as Zone B on the attached map.

No signs may be placed on the paved areas. Signs may not be attached to the retaining wall around the property.

A copy of this policy will be distributed to candidates on the ballot for each election.

The next page is an aerial view of 157 Poplar. The areas marked in silver are within the 100 ft radius; no signs may be placed in that area.

Candidates wishing to place signs on private property must have the permission of the property owner.

# Campaign Sign Policy

## 980 Nixon Drive

Campaign Signs may be placed at the Shelby County Election Commission Operations Center **only** when that facility is being used as an early vote location. Campaign signs may be placed no earlier than the Saturday prior to the start of Early Voting and must be removed by the first Sunday after Election Day.

As per TCA § 2-7-111 (b) (1), no sign may be closer than 100 feet to any entrance door to the building. Stakes or tape will mark the 100 ft. boundary.

No sign may be placed closer than 12 feet to the edge of the pavement on Nixon Drive. Signs closer than 12 feet to the pavement block the view of drivers exiting our parking lot; a lot of the traffic on Nixon is high speed.

No signs may be placed on the paved areas. Signs cannot block the gravel area that leads to overflow parking.

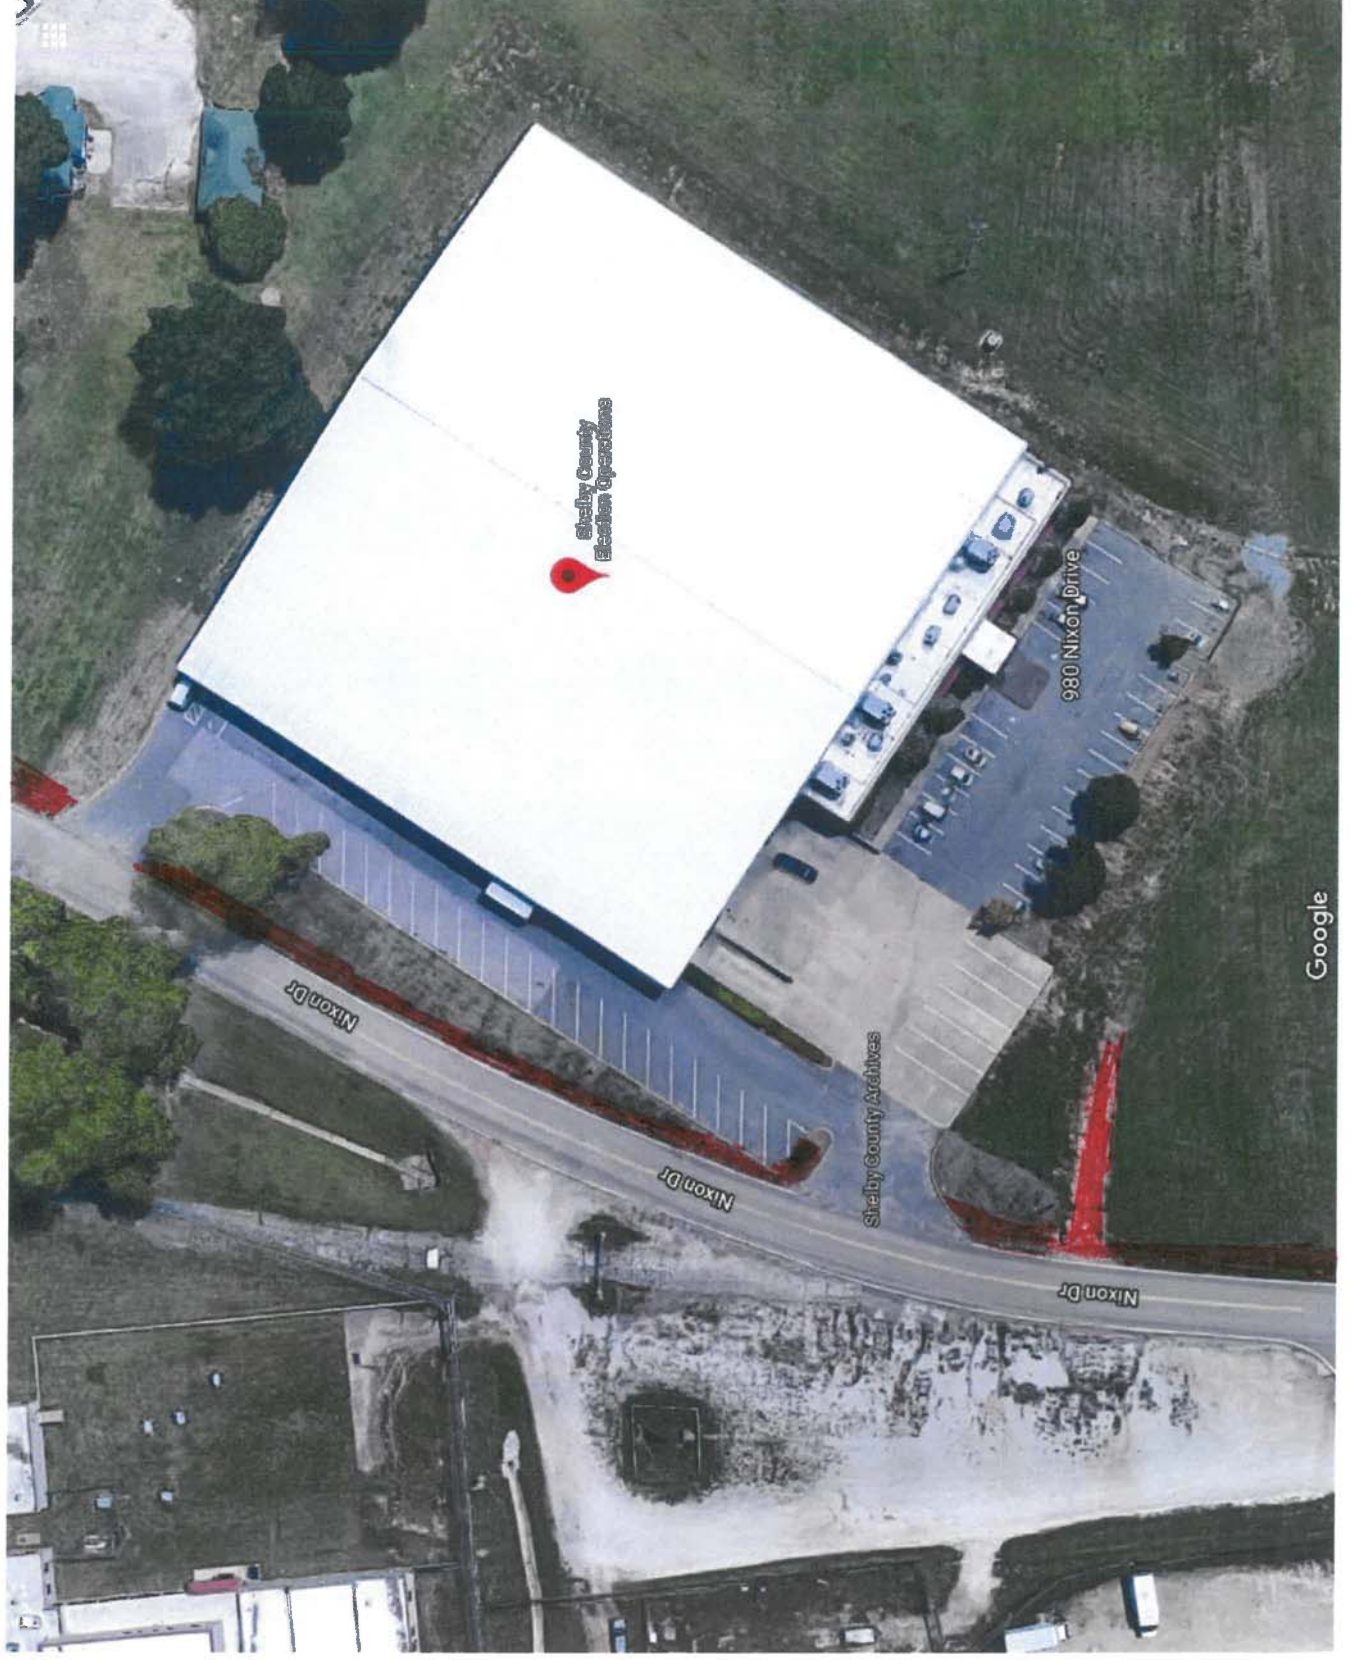

The “No Sign” area will be marked with paint and/or caution tape. Any signs placed in the “No Sign” zone will be removed and destroyed.

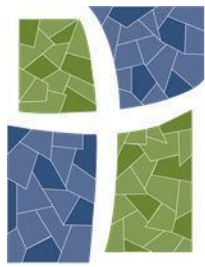

A copy of this policy will be distributed to candidates on the ballot for each election.

The next page is an aerial view of 980 Nixon. The areas marked in red are the “No Sign” zones.

- Signs may be placed in designated areas only.
- Signs MAY NOT be placed along Walnut Grove Road.
- Signs may be placed along Perkins Road.
- Only one sign per candidate on Perkins Road.
- No signs may impede the view of our church banner or the view of drivers as they exit on to Perkins Road.
- Candidates may also place one sign in the polling area just past the 100 foot marker.
- No signs may be larger than 18x24 inches.
- No signs may be placed within 100 feet of the polling location.
- Signs may be placed on church property no more than 24 hours before an election.

However, poll watchers are welcome to use the restrooms in the main building. Access is granted by a buzzer to the right of the main entrance doors.

If you have any questions about these guidelines, please contact the church office.

Thank you for your consideration.
