Campaign Sign Policy

157 Poplar Avenue

Campaign Signs may be placed at the Shelby County Election Commission Offices **only** when that facility is being used as an early vote location. Campaign signs may be placed no earlier than the Saturday prior to the start of Early Voting and must be removed by the first Sunday after Election Day.

As per TCA § 2-7-111 (b) (1), no sign may be closer than 100 feet to the entrance doors to the building. Stakes or tape will mark the 100 ft. boundary.

Signs may be placed in the grassy area at the corner of Poplar and 2nd Street; however, no sign in that area may be more than 16 square feet in size and may not be taller than 40 inches off the ground. (This area is designated as Zone A in the attached map.) These restrictions are for the safety of pedestrians and motorists.

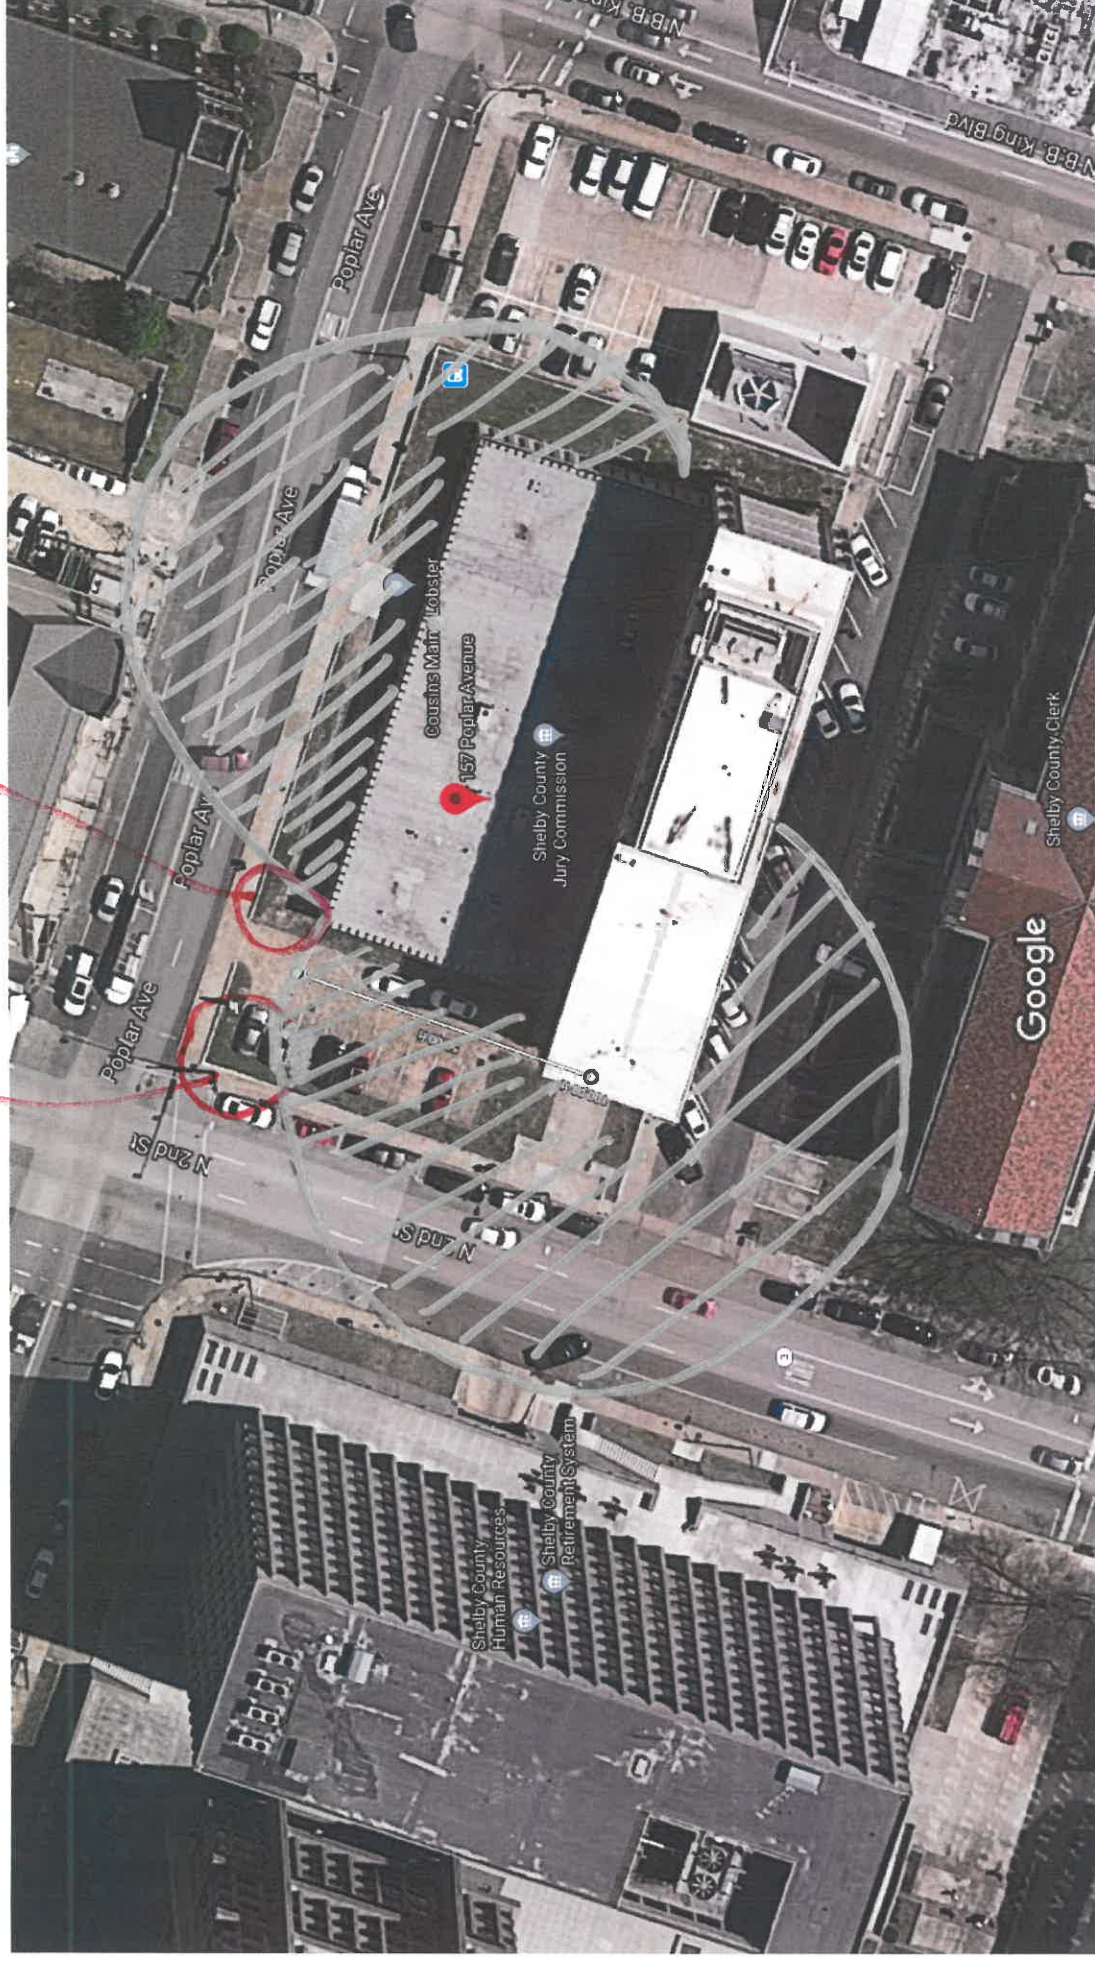

Signs larger than 16 square feet or taller than 40 inches may only be placed in the area designated as Zone B on the attached map.

No signs may be placed on the paved areas. Signs may not be attached to the retaining wall around the property.

A copy of this policy will be distributed to candidates on the ballot for each election.

The next page is an aerial view of 157 Poplar. The areas marked in silver are within the 100 ft radius; no signs may be placed in that area.

Candidates wishing to place signs on private property must have the permission of the property owner.

Campaign Sign Policy

980 Nixon Drive

Campaign Signs may be placed at the Shelby County Election Commission Operations Center **only** when that facility is being used as an early vote location. Campaign signs may be placed no earlier than the Saturday prior to the start of Early Voting and must be removed by the first Sunday after Election Day.

The “No Sign” area will be marked with paint and/or caution tape. Any signs placed in the “No Sign” zone will be removed and destroyed.

A copy of this policy will be distributed to candidates on the ballot for each election.
